FAQ's

When should I arrive to stage rehearsal?

All dancers are expected to arrive **10 minutes prior** to their rehearsal time. Only ONE grown up per family is allowed in our stage rehearsal space.

What should my dancer wear to stage rehearsal?

Dancers should wear their class dress code to stage rehearsal, as they will have practiced in their costumes at the studio in class. All dance shoes should be brought. LABEL ALL SHOES WITH YOUR DANCERS NAME OR INITIALS!

Can I stay during stage rehearsal?

Yes, please plan to stay while your dancer rehearses on stage. All dancers should stay for their scheduled rehearsal time AND FINALE rehearsal (11:10-12:10 p.m.) All dancers will perform in our recital's finale.

You are free to go when they have rehearsed their class routines and finale.

Can I leave during stage rehearsal?

If you have a long break in between rehearsal times, you are free to leave the high school. Please make sure your dancer is back and ready to dance 10 minutes before their scheduled stage time.

Can I record during stage rehearsal/recital?

We have a professional videographer who will be videoing our recital, so there is no need to record during stage rehearsal or recital. Each family receives a digital download of our performances as part of the recital fee.

What will my dancer wear for finale?

Included in the recital fee is a recital tee. Dancers should wear black pants (no shorts please!) on bottom and their recital tee on top. Jazz or ballet shoes are preferred. Hip Hoppers can choose to be barefoot or in their tennis shoes.

Can I bring food for my dancer?

On stage rehearsal day, if you would like to pack snacks for your dancer, please make sure they eat them outside the theater. There is no food, and only water bottles allowed in the theater space. On recital day, if you bring snacks, please make sure they are mess-free and your dancer is not eating in their costume! Food is allowed in the multipurpose room/dressing rooms only.

Can I leave items at the high school between stage rehearsal and recital?

Please do not leave any items at the high school between Saturday and Sunday. TDX is not liable for any lost or stolen items left at Hopkins High School overnight.
